

M.E.S. INDIAN SCHOOL, DOHA-QATAR

ETHICAL CHARTER

Moral values and principles will not only define one's good character but also will lead to a better society to live in. Classes in moral science, value education and life skills are conducted to inculcate ethics in students. Teachers maintain good behaviour with the students and help them to overcome their issues.

Students should inculcate the following:

1. Truthfulness : Honesty is one of the most important traits for a peaceful living. All should practice to speak the truth always.
2. Autonomy/ Independence : Students are encouraged to be independent in every aspect of schooling with guidance of the teachers.
3. Generosity : It is important to understand our social responsibilities and help the people in need. Students are encouraged to participate in many charity programmes that the school takes part.
4. Do Good : Kind and polite behaviour is expected from all students and no revengeful approach should be adopted by anyone.
5. Prevent Harm :
 - ✘ Do not bully. If a student sees someone being bullied, intervene by telling them to stop or immediately report it to the teacher/discipline in-charge or the Head of Section concerned.
 - ✘ Keep hands, feet, and objects to yourself and never intentionally harm another student.
6. Justice : Right is right, even if everyone is against it, and wrong is wrong, even if everyone is for it. Practice to be just.
7. Diversity : Enjoy the company of other students from diversified communities and promote unity.
8. Accountability and Sense of responsibility :
 - ✘ You are accountable for your well-being and your actions.
 - ✘ Our first priority at school is to learn. Avoid distractions.
 - ✘ Be in the assigned place with appropriate materials, ready to work at the designated time.
9. Respect : Be polite and respectful to everyone including peers, teachers, administrators, support staff, and visitors.
10. Discipline : Use appropriate language and behaviour at all times while maintaining friendly and courteous behaviour.
11. Open-mindedness : Do not become a distraction for others. Give every other student the opportunity to maximize their potential. Encourage your fellow students.
12. Team spirit : Unity is strength and working together for better results should be the motto of all students.
