

## **M. E. S. INDIAN SCHOOL**

### **PARENT PARTICIPATION POLICY**

#### **1. Purpose:**

The purpose of the policy aims to ensure students' overall development through active participation of their parents.

#### **2. Aims of Policy**

To ensure active involvement of student, teacher and parent for continual improvement of the students and the positive progress of the school at par with the School's Vision and Mission statements.

#### **3. Policies:**

- 3.1 Parent teacher council (PTC) should consist of parents from diverse social and economic strata, school representatives and the same should be re-constituted every 2 years.
- 3.2 Parents representatives can either nominate themselves or be nominated by the school authorities.
- 3.3 Representative for the PTC will be selected by the parents and some professionally talented parents will be nominated by the school to this body.
- 3.4 Conduct regular parent teachers' meetings.
- 3.5 Collecting feedback from the parents through online survey, parent/ teacher/ Principal/ Head of Section communication through school diary for continual improvement of the school.
- 3.6 All major changes that are planned will be conveyed and discussed during the Parent Teacher Council meetings prior to its implementation.
- 3.7 Organizing workshops and presentations by the department of counselling, expert and specialist/resource persons on career development for students along with their parents.
- 3.8 Parents should also be invited for formal and informal school events/functions such as school annual day, art and science exhibitions, sports day, etc. to witness the ward(s) contribution and also to review the work of other students.
- 3.9 All communication will be through ERP.
