GRADES KG-I TO VI

Dear Parents/Guardians,

Greetings!

The “Brotherhood” initiative, proposed by the Ministry of Education and Higher Education, focuses on raising awareness about physical violence and its negative effects, promoting safe behavior and building relationships based on understanding and kindness.

The Brotherhood Initiative encourages the following activity to be carried out at home, with your support, to help students be free from aggressive behavior that threaten the mental and social well-being of students.

MESSAGE – 1

Our Partners in Responsibility

Let us explain to our children the concept and forms of physical bullying and emphasize the importance of avoiding it to protect themselves and their peers. We should also teach them that bullying does not only harm the victim, but also makes the bully unpopular among their peers, causing them to lose trust and respect, as well as opportunities for friendship, cooperation and support from others.

We appreciate your cooperation in this important endeavor.
