GRADES KG-I TO VI

Dear Parents/Guardians,

Greetings!

The “**Brotherhood**” initiative, proposed by the Ministry of Education and Higher Education, focuses on raising awareness about physical violence and its negative effects, promoting safe behavior and building relationships based on understanding and kindness.

The Brotherhood Initiative encourages the following activity to be carried out at home, with your support, to help students be free from aggressive behavior that threaten the mental and social well-being of students.

MESSAGE – 2

Our Partners in Responsibility

Instilling confidence in our children is the first line of defense against bullying. When a child has the ability to express their refusal firmly and calmly, the chances of being targeted or taken advantage of are greatly reduced.

We appreciate your cooperation in this important endeavor.
