GRADES KG-I TO VI

Dear Parents/Guardians,

Greetings!

The “Brotherhood” initiative, proposed by the Ministry of Education and Higher Education, focuses on raising awareness about physical violence and its negative effects, promoting safe behavior and building relationships based on understanding and kindness.

The Brotherhood Initiative encourages the following activity to be carried out at home, with your support, to help students be free from aggressive behavior that threaten the mental and social well-being of students.

MESSAGE – 3

Our Partners in Responsibility

Let's change the common saying, “If someone hits you, hit him back,” and teach our children: If someone raises their hand to hit you, block the strike with a strong look and a firm word, saying, “Stop, hitting is not allowed,” then report the incident to the school authority to assert your rights and stop the bully. This way, we ensure safety, security, and the preservation of dignity for everyone.

We appreciate your cooperation in this important endeavor.
