GRADES KG I & KG II

Dear Parents/Guardians,
Greetings!

The "Aseel Initiative" proposed by the Ministry of Education and Higher Education, emphasizes prayer as a key part of shaping a child's character, responsibility, and strong moral values. Through regular prayer, students grow into responsible, righteous citizens who make wise choices and contribute positively to their community.

The Aseel Initiative encourages the following activity to be carried out at home, with your support, to help them grow into kind role models who support others.

MESSAGE-1

Our Partners in Responsibility

Our children's eyes are always observing; they learn from our actions before our words. When they see their parents approach prayer with devotion, prepare for it with calmness and reverence and perform it on time, the love of prayer takes root deep within their hearts and a deep respect for this act of worship grows within their souls. In this way, a strong foundation is built in their hearts, making them—by the time they reach the age of seven—ready to perform prayer with love and serenity.

We appreciate your cooperation in this important endeavor.
