MY VALUES SHAPE MY IDENTITY
GRADES I TO VI

Dear Parents/Guardians,

Greetings!

The "Aseel Initiative" proposed by the Ministry of Education and Higher Education aims to emphasize the importance of guiding children to pray at home, laying a foundation as an educational responsibility. This will be achieved through a patient and nurturing approach that supports the holistic development of children.

MESSAGE-3

Our Partners in Responsibility

Helping our children organize their time to perform prayers is an important and foundational educational responsibility. It begins by training them to use an alarm clock, prayer reminder apps, or a daily prayer schedule—so that prayer becomes a consistent part of their day, performed out of love for Allah and obedience to His command.

We appreciate your cooperation in this important endeavor.
