CBSE/Coord/2025/

Dated: 20.01.2025

To,

The Principals/Head of the Institution/Centre Supdt.  
Schools affiliated to the CBSE/Examination Centre

Subject: Making Class X/XII students aware about examination ethics-reg.

Madam/Sir,

CBSE will be conducting Class X and Class XII Board examinations of about 44 lakh students in 204 subjects from 15<sup>th</sup> February, 2025. Holding such a big examination requires full compliance with the instructions issued by the CBSE.

You would agree that conduct of fair examination is a must in the academic interest of the students. Accordingly, a detailed "Unfair Means Rules" have been framed by the CBSE. It is desirable that before the start of the examinations, all the students who would appear in Board examinations be informed about ethics of the examinations, their rules and the instructions issued by the CBSE. Though instructions are given on the Admit Card of the student, however, this communication is to reiterate the same with a request to all Principals of CBSE Affiliated Schools to sensitize their students and create general awareness towards prohibition of use of unfair practices in the Examination Hall/Centre.

The following is desired from the schools:-

1. Please read the UFM guidelines and penalties that can be imposed.
2. Brief the students about examination ethics and the penalties. Also inform them that they should not believe rumors and not indulge themselves in spreading rumors affecting smooth conduct of examinations.
3. Brief the parent also about examination ethics and the penalties.
4. Remind the student on the day of examination also to ensure that they are not carrying any barred item to the examination centre.
5. Deployed officials on examination duty be also briefed.

You are aware that CBSE has also implemented the CCTV Policy whereby all Examination Rooms/Halls at each Examination Centre are equipped with CCTV which is being manned by Assistant Superintendent (CCTV Monitoring) at each Examination Centre. Your attention is also drawn to the newly added following provisions of the UFM Rules:-

Act of Unfair Means	Implemented Penalties
<p><b>Category – 3 (New)</b></p> <p>(i) Possession, Use or attempted use of any Electronic Device (including Mobile Phone), which can be in used as communication device, after entering the Examination Centre. Supported by report of Invigilator/Checking staff</p> <p>(ii) Students indulging in spreading rumours affecting smooth conduct of examinations.</p>	<p>Cancellation of current as well as next year's examination in full subjects and shall eligible to write/have/take the Examination in Full Subjects thereafter.</p>

Accordingly, all students must be informed that possession, use or attempted use of any communicative device may lead to stringent measures as mentioned in the above table. They should further be informed that they should desist from spreading rumours which can affect the smooth conduct of examination.

A list of barred and allowed item alongwith UFM rules is enclosed for ready reference and convenience to all.

It is considered that wide publicity of the aforesaid information amongst the students/parents will ensure smooth and fair conduct of examinations and this can only be done with the co-operations of the schools and thus, the same is being solicited.
