Sub: READATHON – A Reading Club

“Step into reading and watch your mind spark with brighter imagination”

Dear Parents,

The Readathon Club is delighted to announce the re-launch of our club for the academic year **2026–2027**. At MES School, we firmly believe that reading is not just a skill, but a gateway to a world of knowledge and imagination.

Created for students of **Classes I to IV**, this Reading Club gives learners the opportunity to explore a wide variety of books, thereby improving their reading abilities, expanding their vocabulary, and developing creativity. After finishing each book, students are required to complete a short questionnaire available on the Parent Portal and submit it to their class teacher. Students who read the highest number of books and complete their reviews will be honoured with the ‘**Avid Reader**’ badge during the school assembly.

We look forward to your support and cooperation in encouraging your child to participate actively in the ‘**Readathon**’.
