GRADES KG-I & KG II

Dear Parents/Guardians,

Greetings!

The "Fitrah Initiative" is introduced under the slogan "I honor how Allah created me."

It aims to help young children understand that they are created by Allah in a special and beautiful way. The initiative nurtures their natural goodness, kindness, and identity through simple, age-appropriate activities.

At this level, the focus is on guiding children to develop respect for themselves and others, practice good habits, and understand basic values like kindness, sharing, and responsibility in a gentle and balanced manner.

MESSAGE – 1

Our Partners in Responsibility

Sound upbringing, founded upon true religion, nurtures positive qualities in boys and girls, strengthens their self-confidence, increases their awareness of their role and purpose in life, and builds an inner safeguard that protects them from behaviors contrary to the fitrah upon which Allah created them.

We appreciate your cooperation in this important endeavor.
