**GRADES I TO VI**

**Dear Parents/Guardians,**

**Greetings!**

The **Fitrah** initiative has been launched under the slogan "**I honour how Allah created me**". It aims to strengthen awareness of the identity with which Allah has created human beings and to promote ways of nurturing this innate nature.

The initiative focuses on helping students understand the natural traits of each gender and to recognize their roles and responsibilities in a respectful and balanced manner.

**MESSAGE-3**

**Our Partners in Responsibility**

Be mindful to call your children by their beautiful names and choose for them affectionate nicknames that strengthen their self confidence and shape their character. Address boys with words that instill strength, independence and responsibility and choose for girls gentle nicknames that nurture qualities of softness and femininity. The words a child hears daily play a vital role in shaping their self-image and building their personality with stability.

We appreciate your cooperation in this important endeavor.
