MY VALUES SHAPE MY IDENTITY

GRADES KG- I & KG II

Dear Parents/Guardians,

Greetings!

The "Fitrah Initiative" is introduced under the slogan **"I honor how Allah created me."**

It aims to help young children understand that they are created by Allah in a special and beautiful way. The initiative nurtures their natural goodness, kindness, and identity through simple, age-appropriate activities.

At this level, the focus is on guiding children to develop respect for themselves and others, practice good habits, and understand basic values like kindness, sharing, and responsibility in a gentle and balanced manner.

MESSAGE – 2

Our Partners in Responsibility

Help your children take pride in the identity upon which Allah created them. Instill in boys the values of patience and endurance and encourage girls toward gentleness and mercy, while nurturing in them a love of care and attentiveness. Assign them responsibilities suited to their nature, so they may feel their worth and grow in awareness of their roles toward their family and homeland.

We appreciate your cooperation and support in making this initiative meaningful and impactful.
