MY VALUES SHAPE MY IDENTITY
GRADES I TO VI

Dear Parents/Guardians,

Greetings!

The 'Fitrah initiative' proposed by the Ministry of Education and Higher Education has been launched under the slogan "I honour how Allah created me". It aims to strengthen awareness of the identity with which Allah has created human beings and to promote ways of nurturing this innate nature.

The initiative focuses on helping students understand the natural traits of each gender and to recognize their roles and responsibilities in a respectful and balanced manner.

MESSAGE-4

Our Partners in Responsibility

Our country awaits our sons to become strong and righteous men who carry values, bear responsibility and contribute to its progress through their knowledge and work. It also awaits our daughters to become righteous women who help build the nation through nurturing future generations and through meaningful participation in fields of work and service. So, plant within them love for the homeland and teach them that they have an important role in its advancement, so they may grow up feeling that they are a part of it and its future.

We appreciate your cooperation in this important endeavor.
