### First Day, First Smiles

MES kindergarten reopened with cheerful energy as KG I began on April 5th and KG II on April 6th. The campus came alive with happy faces, warm welcomes, and engaging activities, helping our little learners step into their new journey with comfort and confidence.

Ensures a smooth and happy transition into school while fostering a sense of belonging and positive interaction.

### Health Enhancing Habit Session 🩺

A Health Enhancing Habit Session was conducted on 23rd April for KG II students. The session focused on simple healthy practices like handwashing, cleanliness, and good daily habits. Children actively participated and learned the importance of staying healthy in a fun and engaging way.

This creates awareness about healthy habits and encourage children to practice them in their daily routine.

### Earth Day Celebration 🌍

Kindergarten celebrated Earth Day with enthusiasm, helping children understand the importance of caring for our planet. Through simple activities and discussions, they learned about keeping the environment clean and protecting nature.

To develop awareness and responsibility towards protecting the environment from an early age.

### Colours Day Celebration 🎨

Kindergarten celebrated Colours Day with great excitement and joy. Children came dressed in vibrant colours and participated in fun activities, songs, and dances, making the day lively and engaging.

To help children recognize and enjoy different colours while enhancing creativity and self-expression.

### Labour Day Celebration

Kindergarten celebrated Labour Day by appreciating the hard work of helpers in our school and community. Children learned to respect and value every job through simple activities and discussions.

To instill respect, gratitude, and awareness about the importance of all types of work.

### Star Class of the Month

The Star Class of the Month was selected from both KG I and KG II to recognize outstanding performance, discipline, and teamwork. The selected classes— KG I-O (Class Teacher: Ms. Farsha Ashraf) and KG II-P (Class Teacher: Ms. Thasni Basheer) for their active participation and positive classroom behavior. This encourages healthy competition, motivate students and promote good habits and teamwork in the classroom.
