SUB: BROTHERHOOD INITIATIVE- MESSAGE-2

MY VALUES SHAPE MY IDENTITY

GRADES KG-I & KG-II

Dear Parents/Guardians,

Greetings!

The 'Brotherhood' Initiative proposed by the Ministry of Education and Higher Education emphasizes the importance of fostering friendship, mutual respect, and positive relationships among peers. Through acts of kindness, cooperation, and empathy, students learn to build meaningful friendships, appreciate differences, and contribute to a caring and supportive school community.

The **Brotherhood Initiative** encourages the following activity to be carried out at home, with your support, to help children develop empathy, respect and teamwork skills, enabling them to become positive role models who foster harmony and understanding among others.

MESSAGE-2

Our Partners in Responsibility

Let us teach our children that a good friend is brave enough to tell the truth and do what is right, even when a close friend makes a mistake. They do not support their friend's wrongdoing; instead, they help them stop and show kindness to the person who was hurt.

We appreciate your cooperation in this important endeavor.
