SUB: BROTHERHOOD INITIATIVE- MESSAGE-2

MY VALUES SHAPE MY IDENTITY

GRADES I TO VI

Dear Parents/Guardians,

Greetings!

The ‘**Brotherhood Initiative**’ proposed by the Ministry of Education and Higher Education has been launched under the slogan “**My Stance is Responsibility**”. It aims to teach students that true friendship means supporting what is right and correct them when they are wrong. It encourages them to take responsibility for their actions and uphold the values of loyalty.

The initiative focuses on helping students understand the importance of fairness and justice when assessing friend’s actions and connects this to the Name of Allah, “Al-Hakam” (The Judge).

MESSAGE-2

Our Partners in Responsibility

Let us instill in our children a sense of justice and fairness in situations of bullying. They should not side with a friend simply because of their friendship but should stand up for the person who has been harmed, speak the truth, and stand for what is right. A true friend cares for their friend but does not support them in harming others.

We appreciate your cooperation in this important endeavour.
