"Books are mirrors: you only see in them what you already have inside you."

Reading is a powerful habit that opens doors to knowledge, imagination and growth. Every page you turn introduces you to new ideas, perspectives and possibilities that shape your thinking and expand your world. Whether it's a story that inspires you or information that empowers you, reading strengthens your mind and builds confidence. Small steps in reading can lead to big changes in life. MES Indian School is a premier educational institution and a trailblazer in providing quality education and shaping future leaders with an array of curricular and extracurricular activities.

The ongoing project— 'Readathon'- a reading club for classes **V— IX**, is a collaborative effort of the school, students and the parents to make the child an Avid Reader. This project will immerse the students in the joy of reading by encouraging them to explore a wide range of books and share their reading experiences in engaging and creative ways.

The review of the book can be done by a questionnaire, which will be uploaded in the parent portal and should be filled after reading the book. After that, it should be submitted to the class teacher. The students who have read maximum number of books and reviewed them successfully from each class will be honored during the school assembly besides earning a title as 'Avid Reader'.

Expecting your cooperation and motivation to encourage your ward to participate in Readathon 2026-2027.
