MY VALUES SHAPE MY IDENTITY

GRADES IV to VI

Dear Parents/Guardians,

Greetings!

The **'Safe Surfing Initiative'** proposed by the Ministry of Education and Higher Education has been launched under the slogan "My Stance is Responsibility". This programme is aims to help children develop strong values, protect their thoughts from harmful online influences, and encourage safe digital habits from an early age.

This Initiative encourages children to balance screen time with other meaningful activities, such as reading, drawing, playing with siblings, spending quality time with family, and exploring new things. Through this initiative, children learn to use technology safely and wisely while enjoying a healthy and balanced lifestyle.

MESSAGE -1

Dear Partners in Responsibility

Let us help our children understand that excessive attachment to electronic devices and overuse of screens can lead to wasting valuable time, neglecting responsibilities, and missing opportunities to learn, play and achieve. Let us talk with them about the importance of using devices in moderation and encourage them to spend their time on meaningful and beneficial activities. Our lives and time are a trust for which we will be held accountable. It is our responsibility to instill in our children a sense of care for their time and encourage them to use it wisely in ways that bring goodness and benefit to themselves and those around them.

We appreciate your cooperation and support in making this initiative meaningful and impactful.
